## Several Liability Clause

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that underwrites this contract. The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract. In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that underwrites this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion can be obtained by writing to Market Services, Lloyd's, at the above address. Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this must be read as a reference to contracts in the plural.

# Customer service information

This Introduction, the Customer service information, the General definitions, General conditions, General exclusions, Sections, Section extensions, the **schedule** and any endorsements all form part of this insurance policy.

## IMPORTANT REMINDER

It is important that:

- **You** check that the information **you** have given **us** is accurate and up to date – See the Customer service information section for more details.
- **You** read the policy and understand its contents, if **you** do not understand any aspect please contact **your** insurance advisor.
- **You** comply with **your** duties under each section and under the insurance as a whole.
- **You** check that the sections **you** have requested are included in the **schedule**.

This policy must be kept in a safe place. **You** will need to refer to it if **you** have to make a claim.

This section contains important information about how **we** will deal with claims under this policy and the information **you** have given us.

### Information you have given us

In deciding to accept this policy and in setting the terms and premium, **we** have relied on the information **you**, or **your** appointed agent acting on **your** behalf, have given **us**. **You** must take care when answering any questions, **we** ask by ensuring that all information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with false or misleading information, **we** will treat **your** policy as if it never existed and decline all claims. **We** are entitled to keep any premium already paid by **you** in this situation.

If **we** establish that **you** provided **us** with false, incomplete, or misleading information, but this was neither deliberate nor reckless, it can adversely affect **your** policy and any claim.

For example:

- Where **we** could have accepted the risk and offered **you** an insurance policy, but **we** would have charged a higher premium, **we** will only pay a percentage of any claim that **you** make under the policy. **We** would do this by considering the premium **we** charged as a percentage of the higher premium **we** would have charged and then paying **you** the equivalent percentage of any claim.  
  
So, as an example: if the premium **we** actually charged was £250 (two hundred and fifty pounds) and the higher premium **we** would have charged was £1,000 (one thousand pounds), then the premium **we** actually charged represents twenty five percent of the higher premium **we** would have charged, and **we** will only pay 25% (twenty five percent) of any claim.
- **We** will treat this policy as if it had never existed and refuse to pay all claims and return the premium. **We** will only do this if the false, incomplete, or misleading information means that **we** provided **you** with insurance cover when **we** would not otherwise have offered it at all had the risk been fairly presented.
- If **we** would have written the risk on different terms had it been fairly presented, **we** will amend the policy to include these terms. **We** will apply these amended terms as if they were already in place before a claim is made.
- **We** can cancel **your** policy in accordance with its cancellation provisions.

**We** will write to **you** if **we**:

- intend to treat **your** policy as if it never existed; or
- amend the terms of **your** policy; or
- reduce **your** claim in accordance with the above.

If **you** become aware that information **you** have given **us** is inaccurate or incomplete, **you** must inform **us** without delay.

  - 11.3. The premium calculated on the items is provisional. On expiry of each **period of insurance**, **we** will adjust the premium by 50% (fifty per cent) of the difference between
    - 11.3.1. the provisional premium at the beginning of the **period of insurance**; and
    - 11.3.2. the premium calculated for the subsequent **period of insurance** based on the terms which have applied during the period under adjustment.

    - 11.4.1. if **you** cancel or do not renew the policy or any of the items, **you** must tell **us** the declared value of the **property insured** by each of the item(s) which apply at the date of cancellation or non-renewal;
    - 11.4.2. if **property** has not been reinstated following **damage**, **you** must tell **us** the declared value as though the **property** had not been **damaged**;
    - 11.4.3. if **you** do not tell **us** the declared value, **we** will charge an additional premium of up to 7.5% (seven and a half per cent) of the provisional premium.
  - 11.5. Item 7.7 of the Reinstatement condition 7 is restated as follows:
    - 11.5.1. if at the time of **damage** the **declared value** of the **property** covered by such item is less than the cost of the reinstatement at the inception of the **period of insurance**, then **our** liability for the **damage** will not exceed that proportion which the declared value bears to the cost of reinstatement;
    - 11.5.2. all the other terms and conditions of the policy will apply in respect of any claim payable under this condition so far as they are able except that where claims are payable as if this clause had not been incorporated the sum(s) insured will be limited to 102% (one hundred and two per cent) of the declared value(s).

## 13. Mortgagees

The act or neglect of any mortgagor or occupier of any **building** insured which increase the risk of **damage** without the authority or knowledge of any mortgagee will not prejudice the interest of the latter party (parties) in this insurance as long as they notify **us** immediately on becoming aware of such increased risk and pay an additional premium if required.

## 14. Sprinkler installations and fire extinguishing appliances maintenance

**Our** acceptance of **your** property insurance risk is subject to there being automatic sprinklers and fire extinguishing appliances installed on the **premises** and **we** are provided with details of these.

It is a condition precedent to **our** liability that **you** maintain both the automatic sprinklers and fire-extinguishing appliances in full working order at all times and **you** must

- 14.1. arrange a weekly test to check that the alarm gong is working and that the stop valves controlling the individual water supplies and the installation are fully open; and

The first and annual premiums detailed in the **schedule** are provisional and at the end of each **period of insurance** the actual premium will be calculated as follows:

- 15.1. **You** will tell **us** in writing as soon as possible the value of the **property** on the last day of each calendar month or each quarter as agreed with **us**. If **you** do not tell **us**, **we** will take the maximum sum insured as the value declared.
- 15.2. At the end of each **period of insurance** the actual premium will be calculated on the average amount insured i.e. the total of the values declared divided by the number of declarations. If the actual premium is greater than the first or annual premium paid, **you** must pay **us** the difference. If it is less, **we** will refund the difference to **you** but only up to one third of the first or annual premium paid.

**We** will not reduce the sum insured by the amount of any loss as long as **you** pay the extra premium on the amount of the loss from the date it occurred to the date of the expiry of the **period of insurance**. It is a condition precedent to **our** liability that every insurance on the **property** be identical in wording with this insurance.

## 16. Triennial valuation

**You** undertake to provide **us** at inception and every 3 (three) years with the separate values of:

- 16.1. **Buildings** and **general contents** in each **building** or group of **buildings** which **we** classify as a separate risk.
