

PRODUCT APPROVAL PROCESS STATEMENT

Premco Underwriting has established a process for the product governance process which oversees the design, approval and review of this product in accordance with the requirements of the Insurance Distribution Directive.

This process:

- means that product development and changes to existing products are subject to a formal product approval process which identifies the target market and their needs, characteristics and objectives;
- tests customers understanding of the product where appropriate
- considers customers for whom the product is not compatible or have a specific need that we must address
- monitors post-sale performance and customer outcomes

TARGET MARKET & DISTRIBUTION STATEMENT

We have undertaken a target market assessment which is available to you upon request.

This product is an insurance product for businesses who operate as contractors in the building industry and allied trades. It is multi-sectional and aims to meet most of the insurance needs of most contracting businesses. This product is not suitable for consumers.

The product seeks to provide insurance protection for business assets, revenues and liabilities. Each section of the insurance has a separate price and is independently competitive. We check our pricing structure regularly against similar insurance products.

As the product is considered complex customers should seek advice on their demands and needs based on the characteristics of their businesses to ensure it meets with their requirements.

This statement aims to help your distribution of the product in accordance with your customers bests interests.
