Product Value Assessment – Business Combined (food risks) (LMA 9197)

Manufacturer Information

Product information

This insurance product is designed for customers who manufacture, wholesale, distribute and retail foodstuff. This policy wording is reviewed at least annually in the first instance by Premco Underwriting and subsequently by the insurance carriers.

Premco Underwriting is considered a joint manufacturer of this insurance policy.

The product covers the property of the business and the consequential loss of profits or revenue suffered by the customer following loss of or damage to the property insured. In addition the insured can select a number of other covers including, Money, Trade all risks, Goods in transit, Computer breakdown, Refrigerated stock, Employers liability, Public liability, Products liability, Directors and officers liability and Legal expenses insurance.

We recommend risks are submitted by distributors with the information contained in our Premco application form.

Target market

This product is intended for commercial businesses, including micro-enterprises and small businesses.

Types of customer for whom the product would be unsuitable

Any customer type not detailed above.

Any notable exclusions or circumstances where the product will not respond

The product sales literature includes a relevant policy summary highlighting significant exclusions and circumstances under which the policy will not respond.

Policy wordings and policy summaries should be provided with each quotation and are readily available from Premco.

Cover will not be provided if any of the Conditions Precedent included in the insurance contract, subject to the provisions of the Insurance Act, have not been satisfied.

Other information which may be relevant to distributors

Premco provides this product on a non-advised basis.
